

Scholarship Support

Each year, the Scholarship Committee of the Wyoming Annual Conference delights in providing assistance to college, university and other post secondary school students who have been active in the churches of our conference.

We need your help to be able to offer scholarships to students this year.

March 7, 2010 has been set aside as a time to take special collections to support scholarships. Funds collected will be used by the Scholarship Committee to help students this year. Please give generously so that students who have been active in our churches can receive help in meeting some of the growing cost of post secondary education.
